11 Executives, 47 Companies and 108 Products Win 2024 BIG Innovation Award

Business Intelligence Group Announces the Winners of the 2024 BIG Innovation Awards

PHILADELPHIA, Jan. 10, 2024 /PRNewswire-PRWeb/ -- Today, the Business Intelligence Group named 11 executives, 47 companies, and 108 products as leaders and winners of the 2024 BIG Innovation Awards. This annual business awards program recognizes organizations, products, and people that are bringing new ideas to life in innovative ways.

"Humanity relies on innovation to improve our lives and the planet," said Maria Jimenez, chief nominations officer, Business Intelligence Group. "We are so proud to reward the products, people and companies helping to improve the lives of so many people."

Organizations from across the globe submitted their recent innovations for consideration in the BIG Innovation Awards. Nominations were judged by a select group of business leaders and executives who volunteered their time and expertise to score submissions.
The 2024 BIG Innovation Award winners are listed below:

About Business Intelligence Group www.bintelligence.com

The Business Intelligence Group was founded with the mission of recognizing true talent and superior performance in the business world. Unlike other industry award programs, these programs are judged by business executives having experience and knowledge. The organization's proprietary and unique scoring system selectively measures performance across multiple business domains and rewards those companies whose achievements stand above those of their peers.
